

Pendant

## CHARIVARI – 321210107

incl. 1x SMD, 42W · 1x 5600lm, 3000K

- **Dimmable via switch**
- **Ceiling mounting**
- **IP20**
- **Adjustable in height**
- **Not dimmable**

The lights in the CHARIVARI series impress with their elegant design and functionality. Placed in the centre above the dining table, the pendant light is particularly effective as a central element. The integrated SWITCH dimmer can also be used to select three different brightness levels using a conventional light switch. The light intensity can be adjusted from 100% to 50% and 25% to suit different requirements. The matt nickel colour scheme makes it easy to integrate into existing colour schemes. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

### Material construction

Metal · Nickel mat

### Product dimensions

Height: 150cm  
Diameter: 62cm  
Weight: 1,7kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 42W  
Lumen: 1x 5600lm  
Kelvin: 3000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF
