

Wall lamp

BRENTA – 201760142

excl. 1x E27 · max. 40W

- **Wallmounting**
- **IP44**
- **Lamp(s) not included**

Looking for decorative outdoor lighting? The BRENTA wall light not only impresses with its trendy vintage design, but also creates effective and pleasant lighting accents that unfold their full effect in the dark. Thanks to its IP44 protection rating, the decorative wall light with a diameter of 30 cm is ideal for illuminating your outdoor area. The anthracite-coloured design, in combination with the transparent glass shade, stands for cosiness and creates a harmonious atmosphere that invites you to linger. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
