Elegant outdoor lighting with the OLONA wall light. Whether in the dark season or on long summer evenings, the wall light provides atmospheric lighting accents and a pleasant atmosphere. The modern outdoor light has a height of 29.5 cm and a width of 11.5 cm. The anthracite-coloured design, in combination with the transparent glass, creates a stylish eye-catcher. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
