

Wall lamp

TANARO – 202360124

excl. 1x E27 · max. 40W

- **Wallmounting**
- **IP44**
- **Lamp(s) not included**

Set exciting lighting accents with the modern TANARO outdoor light. The wall light provides pleasant and atmospheric outdoor lighting on the patio, balcony or in the entrance area, inviting you to linger. Thanks to its IP44 protection rating, the 31 x 14 cm wall light is protected against splashing water and is therefore suitable for outdoor use. The stylish colour scheme in rust, combined with the transparent glass, makes the wall light a real eye-catcher and ensures a modern appearance. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Diecast aluminium · Rusty
