

Wall lamp

KAVERI – 206060142

excl. 1x GU10 · max. 5W

- **IP44**
- **Lamp(s) not included**

Reduced design and classic shape – that is our outdoor luminaire KAVERI. In the entrance area, on the balcony or on the wall of your terrace, the timeless wall lamp provides an inviting ambience and optimal lighting conditions. Thanks to the weather-resistant die-cast aluminium and the IP44 protection rating, the luminaire is protected against splashing water and is therefore suitable for outdoor use. The stylish anthracite colour scheme will enhance your outdoor space with modern colour accents. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment. ☒ ☒
