Immerse yourself in a fascinating journey through time with the ELVO series! The unique design of the wall light is an eye-catcher and sets special lighting accents in your garden area or next to the entrance door. Thanks to the generous light emission, it provides pleasant light in all directions to ensure safety and create an atmospheric ambience. The light, made of high-quality die-cast aluminium in matt black, lends your outdoor area an elegant charm. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
