

Wall lamp

TUELA – 210860142

excl. 1x E27 · max. 40W

- **Wallmounting**
- **IP44**
- **Lamp(s) not included**

The outdoor luminaire TUELA is ideally suited for atmospheric illumination of the outdoor area and offers timeless modernity thanks to its stylish appearance. The die-cast aluminium and the IP44 protection rating make the luminaire particularly weather-resistant and therefore the ideal choice for outdoor use. Due to the colour design in anthracite, the wall lamp sets modern accents. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment. ☒ ☒

Material construction

Diecast aluminium ·
