

Wall lamp

CUBANGO – 221560142

incl. 1x E27 LED, 4,9W · 1x 470lm, 3000K

- **Wallmounting**
- **IP54**
- **Not dimmable**

The modern CUBANGO outdoor wall light impresses with its simple design. It offers numerous application and design options to suit your personal requirements. Thanks to IP54, the light is particularly weather-resistant. The luminaire has a projection of 27cm. With its anthracite-coloured die-cast aluminium housing and white plastic lenses, the luminaire is simple and versatile. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Diecast aluminium ·
Anthracite
Plastic · White
