- **Wallmounting**
- **IP54**
- **Not dimmable**

The TUNGA outdoor spotlight is the ideal choice for a targeted lighting of the entrance area or the driveway. For flexible illumination, the spot head of the luminaire can be freely aligned. Thanks to its IP54 protection rating, the wall light is weatherproof and versatile. The reduced design and the modern colouring in anthracite offer a multitude of application possibilities. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
