

Wall lamp

## TUNGA – 222969242

incl. 2x COB LED, 4W · 2x 420lm, 3000K

- **Motion sensor**
- **Wallmounting**
- **IP54**
- **Not dimmable**

The TUNGA outdoor spotlight is the ideal choice for targeted illumination of the entrance area or driveway. The spotlight head can be freely aligned for flexible illumination. A motion sensor is also integrated, which ensures greater safety around the house, especially in the dark, as built-in sensors automatically switch the light on and off again when there is movement in the immediate vicinity. Thanks to its IP54 protection rating, the wall light is weatherproof and versatile. The reduced design and the modern colouring in anthracite offer a multitude of application possibilities. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

### Material construction

Diecast aluminium ·  
Anthracite

### Product dimensions

Width: 23cm  
Height: 12cm  
Weight: 0,9kg

### Technical data

Light source: COB – LED (integrated)  
Watt: 4W  
Lumen: 2x 420lm  
Kelvin: 3000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 25000H  
Switching cycles: 15000x ON/OFF
