

Wall lamp

HORTON – 226369142

incl. 1x SMD LED, 8W · 1x 1000lm, 3000K

- **Motion sensor**
- **Sleuable**
- **Wallmounting**
- **IP54**

Variable and modern – that is the HORTON outdoor luminaire. Due to the reduced design of the wall lamp, the focus is placed on functionality. Thanks to the swivelling lampshade, the light fall can be individually adjusted according to your needs. A special feature of these outdoor lights, is the integrated motion sensor. It reacts to movement in its immediate surroundings and switches on and off automatically. A guarantee for more safety and orientation in the dark! In addition, the light is made of sturdy and weather-resistant die-cast aluminum, making it ideal for illuminating your outdoor space. The puristic design and the colour scheme in anthracite set modern accents in your garden. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Diecast aluminium ·
Anthracite

Product dimensions

Width: 15cm
Height: 12cm
Weight: 0,7kg

Technical data

Light source: SMD – LED (integrated)
Watt: 8W
Lumen: 1x 1000lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
