

Wall lamp

BREG – 227260142

incl. 1x SMD, 8,5W · 1x 850lm, 3000K

- **Ceiling mounting**
- **Wallmounting**
- **IP54**

The simple, anthracite-coloured design of the BREG outdoor light and the high-quality workmanship make the wall light a real eye-catcher. The round acrylic of the luminaire filters the light and emits a pleasant light intensity to the surroundings, so that the outdoor area is optimally supplied with light and creates an atmospheric ambience. The luminaire has an IP54 classification and is therefore protected against splash water. The wall light contains an LED light source with an output of 8.5 watts, 850 lumens and a colour temperature of 3000 Kelvin.
