The THAMES wall light sets the scene wonderfully for your outdoor area and creates an atmospheric ambience. The anthracite-coloured aluminium housing and high-quality workmanship make it an eye-catcher in your outdoor area. The light is emitted upwards and downwards, creating a special lighting effect so that THAMES can be used as accent or decorative lighting. The luminaire has an IP54 classification and contains an LED light source with an output of 3 watts and a colour temperature of 3000 Kelvin. With a size of 14 x 14 cm and a depth of 5 cm, the luminaire has a pleasantly discreet appearance.
