- **Up and Down lighting**
- **Wallmounting**
- **Not suitable for external dimmer**
- **IP54**
- **Not dimmable**

Are you looking for a wall light with decorative accents for your outdoor area? Then the CLYDE is just the thing for you! With its puristic appearance, the luminaire in noble design draws all attention to the decorative play of light that is projected onto the house façade when the light is emitted. The up & down lighting bathes your garden, entrance area or terrace in an atmospheric ambience. Thanks to its IP54 protection class, the luminaire is also protected against splashing water. The wall lamp made of anthracite-coloured die-cast aluminium integrates easily into your outdoor area. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Diecast aluminium ·
Anthracite

Product dimensions

Width: 14cm
Height: 8cm
Weight: 0,6kg

Technical data
