

Wall lamp

KANSAS – 246869142

incl. 1x SMD, 10W · 1x 1000lm, 3000K

- **Motion sensor**
- **Wallmounting**
- **Not suitable for external dimmer**
- **IP54**
- **Tiltable**

The KANSAS outdoor light is the perfect companion with a clear view. The simple design of this wall light focusses entirely on functionality. The tiltable lampshade allows you to customise the light beam according to your needs to create the ideal light for gardens, patios or entrance areas. With an IP54 protection rating, the luminaire is also protected against dust deposits inside and splashing water on all sides. The integrated motion sensor rounds off the functionality of the light. The purist design made of die-cast aluminium and the anthracite colour scheme set modern accents in your outdoor area. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.

Material construction

Diecast aluminium ·
Anthracite

Product dimensions

Width: 20cm
Height: 10cm
Weight: 0,9kg

Technical data

Light source: SMD – LED (integrated)
Watt: 10W
Lumen: 1x 1000lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
