Impressive lighting art for outdoor areas with the MARIZA series! The modern wall light bathes facades and paths around the house in pleasant light and illuminates the entrance area with direct and indirect light flair. Its elongated design has an IP65 protection rating, meaning it is protected against water jets from all sides. The elegant anthracite colour scheme can be easily integrated into existing outdoor concepts. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
