PEARL – 421160142

incl. 1x SMD LED, 8W · 1x 900lm, 3000K

- IP54

Functionality meets modern, innovative design! This outdoor light from the PEARL series impresses with its attractive design and offers you the opportunity to set the scene for your outdoor areas with warm lighting accents. The post provides direct, downward illumination on your footpath or garden path. Thanks to the IP rating of 54, this modern light is particularly weather-resistant. The path light has a height of 100 cm and a width of 14 cm. The pathway light impresses with a housing made of anthracite-coloured die-cast aluminium and a slanted light shade made of white plastic. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
