

Pole

PEARL – 521169142

incl. 1x SMD LED, 8W · 1x 900lm, 3000K

- **Motion sensor**
- **IP54**

Functionality meets modern, innovative design! This outdoor light from the PEARL series impresses with its attractive design and offers you the opportunity to set the scene for your outdoor areas with warm lighting accents. The bollard light impresses with its direct, downward illumination on your footpath or garden path. Thanks to the IP rating of 54, this modern luminaire is particularly weather-resistant. The outdoor light is equipped with a motion sensor. This switches the light on and off automatically. The sensor reacts to movement in its immediate vicinity and carries out switching operations accordingly. The light has a height of 50 cm and a width of 14 cm. The bollard light impresses with a housing made of anthracite-coloured die-cast aluminium and a slanted light shade made of white plastic. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Diecast aluminium ·
Anthracite
Plastic · White

Product dimensions

Width: 14cm
Height: 50cm
Weight: 1,1kg

Technical data

Light source: SMD – LED (integrated)
Watt: 8W
Lumen: 1x 900lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 20000x ON/OFF
