RHINE – 521660242

incl. 2x SMD LED, 5,5W · 2x 700lm, 3000K

- IP54

The RHINE outdoor light series has been combined in a modern design. Create a modern, decorative eye-catcher in your front garden or garden. Along the entrance path or your driveway, this light enhances your outdoor area without dominating the overall picture. With a height of 50 cm, the light has an appealing height. With an IP54 protection rating, the light is ideally equipped for outdoor use. This protection rating means that it is protected against the ingress of dust and water spray. With its anthracite-coloured cast aluminium housing, the luminaire blends effortlessly into any colour scheme. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
