NELSON – 525360142

incl. 1x SMD LED, 8W · 1x 900lm, 3000K

- IP54

Decorative and functional - the NELSON outdoor light is the perfect choice if you want to set the scene for your outdoor area. In the dark, the luminaire unfolds its full effect and shines the light evenly into the outdoor area, creating an effective and pleasant light intensity. Along the entrance path or your driveway, this luminaire enhances your outdoor area without dominating the overall picture. With an IP54 protection rating, the pathway light is optimally protected against dust and splash water. In combination with the weather-resistant die-cast aluminium in anthracite, the pathway light is ideal for illuminating your outdoor area. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
