## **NELSON – 525369142**

incl. 1x SMD LED, 8W · 1x 900lm, 3000K

- **Motion sensor**
- **IP54**

Decorative and functional - the NELSON outdoor light is the perfect choice if you want to set the scene for your outdoor area. In the dark, the luminaire unfolds its full effect and shines the light evenly into the outdoor area, creating an effective and pleasant light intensity. Along the entrance path or your driveway, this luminaire enhances your outdoor area without dominating the overall picture. The light also has a practical motion detector that covers a detection angle of 120 and an adjustable light duration of between eight seconds and eight minutes. With IP54 protection, the pathway light is optimally protected against dust and splash water. In combination with the weather-resistant die-cast aluminium in anthracite, the pathway light is ideal for illuminating your outdoor area. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

### **Material construction**

Diecast aluminium ·  
Anthracite  
Plastic · White

### **Product dimensions**

Width: 13cm  
Height: 50cm  
Weight: 1,4kg

### **Technical data**

Light source: SMD – LED (integrated)  
Watt: 8W  
Lumen: 1x 900lm  
Kelvin: 3000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF
