MARIZA – 547060142

incl. 1x SMD, 11W · 1x 1150lm, 3000K

- **IP65**
- **Not dimmable**

Impressive light art for outdoor areas with the MARIZA series! The modern bollard light bathes paths around the house in pleasant light and illuminates the entrance area with artistic lighting flair. Its elongated design has an IP65 protection rating, which means it is protected against water jets from all sides. The elegant anthracite colour scheme can be easily integrated into existing outdoor concepts. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
