The outdoor wall lamp PUELO offers timeless modernity due to its stylish design. In the entrance area of the house wall or as garden lighting, the outdoor luminaire provides pleasant light intensity and tasteful light accents. In addition, the PUELO has IP44 classification and is therefore weather resistant. The black matt outdoor luminaire made of metal offers a lot of scope for possible applications due to its appearance and colour scheme. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
