The SUAREZ rechargeable floor lamp opens up a wide range of combination options and skilfully complements the series. Thanks to its IP44 protection rating, the rechargeable luminaire with its strong character cuts a fine figure both indoors and outdoors and provides up to 6 hours of lighting enjoyment without the hassle of recharging. The room or outdoor landscape can be immersed in the right lighting mood using the touch dimmer. Just what you need for cosy evenings! Its simple design in matt black sets decorative accents with a feel-good character. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
