

Table lamp

FERNANDEZ – R54096132

incl. 1x SMD, 1,5W · 1x 130lm, 2700+4000+6000K

- **Sensor dimmer**
- **Adjustable light color**
- **USB connection**
- **Not suitable for external dimmer**
- **Rechargeable battery operated**
- **IP54**
- **Charging station included**

That certain something with the FERNANDEZ rechargeable luminaire. The battery operation of the table lamp allows flexible placement without any cables wherever a cosy lighting atmosphere is needed. The lamp is charged via a discreetly designed charging station. The mobile table lamp, which looks great on a garden table or on a dresser in your living room, has a 4-fold touch function that regulates the light in 3 brightness levels. In addition, infinitely variable adjustment of the light colour is possible. As the FERNANDEZ has IP44 protection, it is protected against splashing water and can therefore also be used outdoors. The reduced design in classic form makes the table lamp in matt black and white an adaptable decorative element. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Plastic · Black mat

Product dimensions

Width: 12cm
Height: 38cm
Depth: 12cm
Weight: 0,9kg

Technical data

Light source: SMD – LED (integrated)
Watt: 1,5W
Lumen: 1x 130lm
Kelvin: 2700+4000+6000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
