The SUAREZ LED rechargeable lamp made of high-quality metal not only produces pleasant light, but is also a real eye-catcher. The light intensity can be adjusted in three stages using the touch dimmer on the top of the lamp head. To recharge the light, simply place it on the charging station. Whether indoors or outdoors, it can be used anywhere thanks to its IP44 protection rating. An ideal companion for long summer evenings on the patio! Its simple design in matt black sets decorative accents with a feel-good character. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
