excl. 6x E14 · max. 40W

- **Ceiling mounting**
- **IP20**
- **Lamp(s) not included**
- **Adjustable in height**

The LUMINA pendant luminaire is a special eye-catcher in your living area thanks to the noble glass shades! The different shapes of the six shades and the composition of metal and glass create a beautiful and unique light atmosphere and breathe a modern touch into your dining area. Thanks to the colour design in matt black and the glass shades in steamed chrome, there is plenty of scope for other colour shades, making it wonderfully easy to integrate into existing living concepts. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
