

Pendant

MADISON – 342010332

incl. 3x SMD, 8W · 3x 900lm, 3000K

- **Adjustable height**
- **Dimmable via switch**
- **Ceiling mounting**
- **Not suitable for external dimmer**
- **IP20**

The MADISON pendant luminaire provides simple elegance with its modern design language. The graceful glass shades can be individually adjusted in height and set the desired light accents. Placed centrally above the dining table, the pendant luminaire comes into its own as a central element. The integrated SWITCH dimmer also enables different brightness levels and provides suitable lighting moods. Thanks to the colour design in matt black with glass shades in chrome, the luminaire sets modern accents and can be combined with existing furniture. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Aluminium · Black mat
Glass · Chrome plated

Product dimensions

Width: 82cm
Height: 150cm
min. height: 95cm
Depth: 18cm
Weight: 4,1kg

Technical data

Light source: SMD – LED (integrated)
Watt: 8W
Lumen: 3x 900lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
