

Floor lamp

## CHARIVARI – 421210108

incl. 1x SMD LED, 31W · 1x 4100lm, 3000K

- **Footswitch**
- **Integrated dimmer**
- **Not suitable for external dimmer**
- **IP20**

The lights in the CHARIVARI range impress with their elegant design and functionality. Whether in the living room, hallway or bedroom, the decorative ceiling light ensures optimum lighting conditions. The integrated SWITCH dimmer allows three different brightness levels to be selected using a conventional light switch. By graduating the light intensity from 100% to 50% and 25%, the luminaire can be adapted to different requirements. The matt brass colour scheme makes it easy to integrate into existing furnishing concepts. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

### Material construction

Metal · Brass mat

### Product dimensions

Height: 175cm  
Diameter: 52cm  
Weight: 6,2kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 31W  
Lumen: 1x 4100lm  
Kelvin: 3000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF
