

Table lamp

BLAZE – 541210208

incl. 1x SMD, 8W · 1x 900lm, 2300+3000+4000K

- **Sensor dimmer**
- **Adjustable light color**
- **Memory function**
- **IP20**

The beautiful curved shape of the BLAZE table lamp will become an eye-catcher on your bedside table or dresser. The modern and elegant luminaire has an integrated sensor dimmer that allows the light to be dimmed continuously. In addition, the light colour can be adjusted in stages to create a special lighting experience. Due to the additionally integrated memory function, the last set light scenario is automatically set again. The design of the luminaire is rounded off by the simple colour combination of matt brass and matt black. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Metal · Brass mat

Product dimensions

Height: 48cm
Diameter: 13cm
Weight: 0,8kg

Technical data

Light source: SMD – LED (integrated)
Watt: 8W
Lumen: 1x 900lm
Kelvin: 2300+3000+4000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
