Big Pink

DESIGN - Anna Siedlecka & Radek Achramowicz

DESCRIPTION - Pendant lamp with big flexible, air-filled shade in neon pink PVC. The lamp in the style of pop art, not to be missed. The effect of "wow" guaranteed. The air is the main material, which the lamp is built of. That's why despite its size the lamp is very lightweight. Imperceptible air is the most ecological and innocent material you can imagine, but it has immense strength. United with energy-efficient light sources makes significant alternative to conventional materials and technologies in lighting.

Glossy finishing. Canopy in chromed and polished steel. Stainless steel suspension cable and a transparent electrical cable. Delivered deflated.
