

Pendant

VAPORE – 311210606

excl. 6x G9 · max. 42W

- **IP20**
- **Lamp(s) not included**
- **Adjustable in height**

Characteristic luminaires such as those in the VAPORE range lend a room elegance and individual charm. When unlit, the chrome-plated glass shade takes centre stage, but as soon as the VAPORE light is switched on, it shines in new splendour. When illuminated, the otherwise mirrored glass becomes transparent and the integrated glass drops become visible. The contrast of material, colour and playful details makes the luminaire unique and gives the room a warm and mysterious atmosphere. The pendant light has a diameter of 50 cm and a maximum suspension length of 150 cm, which can be specified during installation. The six G9 bulbs each emit 624 lumens at 42 watts and a warm white light colour of 2800 Kelvin.
